Opposites attract

**Hi guys! I wanted to try a Lalu story cause I love them and I thought it would be fun to do so I hope you enjoy! **

Lucy walked in the guild earlier than normal. The only people there were Mira Laxus and master. "Hi Mira can I please have a strawberry milkshake?" Mira smiled "Sure Lucy!" Mira made Lucy a milkshake and lucy gave Mira the jewels . She then went to sit with Laxus.

He didn't see her cause he wasn't paying attention and he had his headphones on. Lucy poked him, he took off his headphones and looked at her "what do you want blondie?" She got upset with the blondie comment "First of all your blonde to, secondly you just seemed lonely so I came to sit with you" Laxus smiled and patted her head "Thanks blondie" Lucy smiled. They talked for a couple of hours until Lucy had to go on a mission with team Natsu.

Laxus didn't want to admit it but he was starting to like Lucy. She was just what he was looking for smart, cute, funny, strong. Laxus and Lucy got along pretty well, they talked a lot, they did a couple of missions together as well.

When Lucy left Mira came over. "You seem pretty close with Lucy lately don't you?" Laxus blushed a very light shade of pink. "N-no what a-are y-you talking a-about?" Mira smiles "You guys have never really talked and you suddenly act like best friends" Laxus smiles "Well she comes to sit with me when she gets here early and we just talk till she has to leave with team Natsu" Mira has a thought 'They would be such a cute couple! Kyaaaa!' Mira smiles "Ok Laxus what ever you say!" Then she goes back to the bar.

After a couple of hours Lucy comes back with team Natsu. And Laxus smiled until he saw the bandage that covered most of her stomach. Laxus ran over "Blondie what happened?" Lucy smiled a sad smile. "Oh nothing don't worry about it" Laxus sighed "Blondie you have to be more careful when you go on missions" Lucy smiled "Thanks Laxus"

Lucy walked over to the bar and got a strawberry milkshake. "Hey Lucy?" Lucy looked at Mira "Yes Mira?" Mira smirked "Do you like Laxus cause I heard he liked you" Lucy blushed a shade that could rival Erza's hair. "Y-yes" Lucy blushed even more if possible. "You should go talk to him" Lucy got up "O-ok"

Lucy walked over to Laxus "Hey Laxus can I talk to you a minute?" He noticed the blush on her face "Sure blondie" She hesitated "Laxus I l-like you" Lucy looked down and blushed "W-well I like you to" Lucy smiled "So then Lucy would you go out with me?" Lucy smiled a wide smile and hugged him "Of course I will!" Laxus smiled. They walked over to Mira "Hey Mira Laxus and I are together now!" Mira didn't say anything but had hearts in her eyes and passed out.
